Outstanding schools are one of the pillars that keep the Simi Valley community strong. Good schools mean high property values and a creative, competitive workforce that can meet the challenges of the future. The Simi Valley Education Foundation provide Enhancement grants to educators, scholarships to students and match fundraising dollars at our secondary schools.

The rights for these programs are raised through the Foundations annual Celebration of Education Gala, Tee Up for Kidz Golf Tournament, and through two new programs this year, a community-wide recycling program and an opportunity drawing.

For more information on our programs and events, or to make a donation, please visit the Simi Valley Education Foundation website at www.svef.org, email: info@svef.org or call 877-SIMI-KID.
