Make a Difference in the Future of Our Children

Simi Valley Education Foundation's Annual Gala Supports Public Schools

The Simi Valley Education Foundation (SVEF) will host the Celebration of Education Annual Gala on Saturday, March 8, 2008 at the Air Force One Pavilion at the Ronald Reagan Presidential Library in Simi Valley.

"We invite the community to join us for a wonderful evening of fine dining, dancing to the music of a live band, and participating in truly exciting live and silent auctions," said SVEF president Allan C. Mann.

"Now more than ever, with budget cuts in the future, public schools need our help. This is our one major fundraiser of the year and an opportunity to raise much-needed funds for our local schoolchildren and support the numerous programs aimed at helping students in the Simi Valley Unified School District," Mann added.

Over the past year, the Simi Valley Education Foundation is proud to supported education in the

Simi Valley Unified School District by:

1. Providing more than \$72,000 in enhancement grants to teachers, departments and entire schools to purchase educational supplies, science materials, books, and software.
2. Presenting \$5,000 to high school seniors to continue their education.
3. Awarding \$5,000 in Professional Development scholarships to our teachers.
4. Facilitating more than \$40,000 matching funds to secondary schools to supplement their own fundraising activities.
5. Funding programs for drug education and drunk-driving prevention.

The evening will kick off at 6:30 p.m. with a cocktail reception with complimentary drinks and hors d'oeuvres, and our ever-popular silent auction. The live auction, held during dinner, will offer exclusive, unique and exceptional items. In addition, there will be live music and dancing throughout the evening until midnight. Tickets are on sale for \$150 per person and can be purchased online at www.svef.org.

There are a number of Gala Sponsorship Opportunities designed to assist an organization in demonstrating its support for the Simi Valley Education Foundation's efforts, while helping to build brand and business awareness before the event's prestigious audience.

Together, we can make a difference in a child's life. If you cannot join us on March 8th, but would like to make a donation towards enhancing our children's educational opportunities, please contact us at the number below or visit our website.
